
**In cooperation with ISD 544 Community Education
area high school students are invited to attend an ACT
test-preparation seminar scheduled as follows:**

**Wednesday & Thursday, October 12 & 13
6:30 to 9:00 pm
Otter Tail Power Company/Community Room
(216 South Cascade, Fergus Falls, MN 56537)**

Dear Students and Parents:

Many colleges require an ACT test score as one of the criteria for admission. In cooperation with Fergus Falls Community Education, we have arranged a five-hour seminar for your son or daughter that will allow them to become more familiar with the ACT and give them a chance to improve their score. Your son or daughter could benefit from even a small score increase in the highly competitive college entrance selection process. Colleges also look at ACT scores when awarding scholarships and when inviting students to enroll in special honors courses and programs.

While repetitive practice testing is a good method of preparation, there is no substitute for a live, substantive seminar presented by an expert. Experience shows that students who take our company's ACT seminar achieve an average score increase of 1 to 5 points. Of course, the individual score increase depends on the amount of time and effort that students spend working with the materials they will receive at this seminar.

The fee for the five-hour seminar is **\$75**, a special rate for the school. By comparison, similar seminars may cost over \$500 when taken privately. Included in the seminar price are 24 practice tests and a comprehensive study guide. The optional essay portion of the test will also be covered in this seminar.

To take advantage of this opportunity, please follow the instructions on the enclosed registration form and submit it in the enclosed envelope along with your payment.

Students should bring two pencils and a calculator to the seminar. For Saturday seminars there will typically be a 45 minute lunch break and students will be responsible for their own lunches.

This is a seminar for students of all ability levels. Enrollment is limited so please register as soon as possible. If you have questions, please contact ISD 544 Community Education at 218-998-0544 - ext.1600.

Sincerely,

Dr. Jim Minnihan
ZAPS Learning Company

Mary Matteson, Director
Fergus Falls Community Education

Fergus Falls Community Education & ZAPS Learning Company offer an:

ACT Preparation Seminar to be held at the:

Otter Tail Power Company/Community Room
(216 South Cascade, Fergus Falls, MN 56537)
